

Logging in to MyAuxiliary Portal

1. Go to www.ALAforVeterans.org
2. Click 'Member Log In' in the upper right corner of the screen:

3. Sign in with your Username & Password
 - a. Unsure if you have an account? Click 'Forgot Username'

- b. Enter your email address. You will either receive an email with your username and you can then go to 'forgot password' to reset your password, or you will be told that we do not have an account for you and you can then proceed to claim your account:

Note: Members who have an email address on file, but do not have an account set up yet – the easiest way to set up your account is to go to the 'Forgot Username' site, if you do not already have an account set up, the system will set your username as your email address and you can then go to 'forgot password' to set your password.

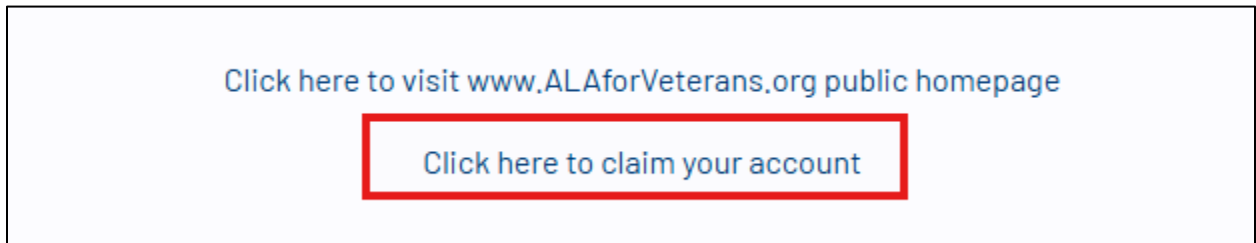

Username request

Enter the following values to verify your user identity, then click Submit. We will email your username to the email address specified in your user account.

☐ I am human 

4. If you need to claim your account:

Enter your Member ID, First Name, Last Name and Email address:

A screenshot of the American Legion Auxiliary login page. The header features the "AMERICAN LEGION AUXILIARY" logo on the left and social media icons (Facebook, Instagram, YouTube) and a "DONATE" button on the right. The main content area has a light blue background and contains the following text: "To access the 'My Auxiliary' section of American Legion Auxiliary resources and information, you must be a current member and you must log in. Logging in requires you to set up your own member account. Enter your ALA member ID number, your name, email address and verification code. The system will send you an email with your username and a link to create your password." Below this, it says: "If you do not have a verification code, your request to create an account will be sent to our American Legion Auxiliary National Headquarters for approval." The form includes five input fields: "*Member ID", "*First Name", "*Last Name", "*Email", and "Verification Code". Each field is preceded by an asterisk. At the bottom of the form is a blue "Submit" button.

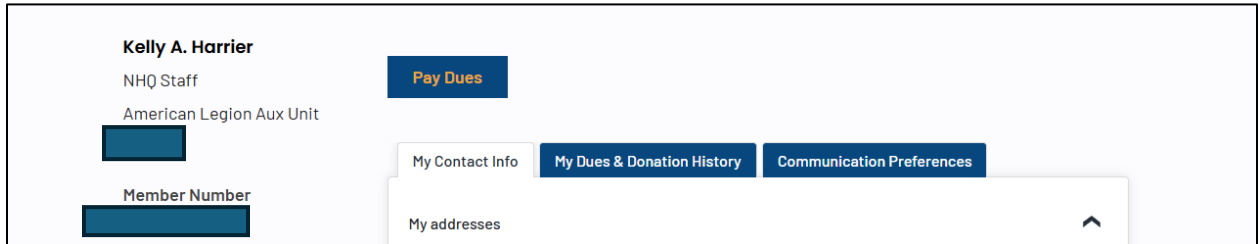

It is ok if you do not have a verification code, those requests come to ALA NHQ staff to approve

If you do have a verification code, enter it and then you will automatically be allowed to set up your login without approval.

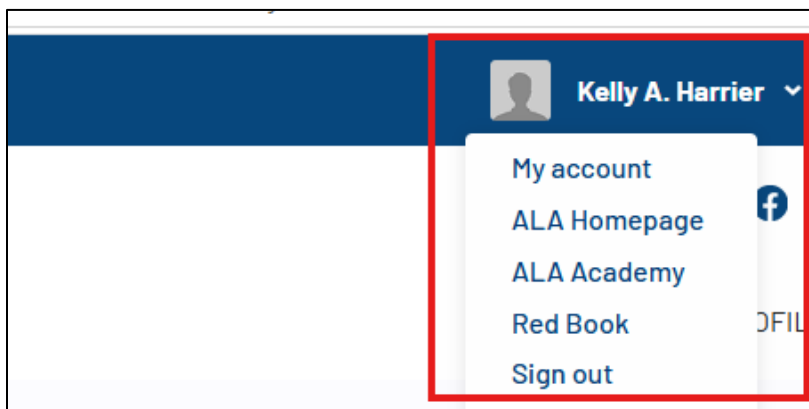

Who gets a verification code? Any ALA member who does not already have a login for the MyAuxiliary portal OR does not have an email address on file, was given a verification code on their 2027 renewal notice in case they wish to set up an account.
